

The Somerville Mathematics Fund

Celebrating and encouraging Mathematics Achievement in Somerville, Massachusetts

2nd Annual Game Jam 2021

Official Guidelines and Sponsorship

Somerville Mathematics Fund, a 501(c)(3) charity

Scrapheap Showdown is a creative competition and fundraiser for the Somerville Math Fund, a community organization that provides scholarships and math enrichment to the Somerville Community. TRADITIONALLY teams of three students competed for fabulous prizes by solving a creative engineering problem in a single afternoon using salvage materials provided at the site of the competition. **Due to continued COVID-19 concerns the competition will again be a GAME creation competition with teams working remotely to develop games AHEAD of the day of competition.**

Student Registration Deadline: October 13th 2021

Competition begins when students get their materials & directions on October 19th

Winners revealed: November 7th

- Participating students must be residents of Somerville who have not yet graduated high school.
- Students will organize themselves into teams of three before the day of the competition.
- Each team member of the best performing team will receive a prize.
- For additional information, contact Erica Voolich at mathfund@gmail.com.
